Please find below and/or attached an Office communication concerning this application or proceeding.

DETAILED ACTION

Response to Amendment

The reply filed on 09/14/06 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): Applicant should submit an argument under the heading "Remarks" pointing out disagreements with the examiner's contentions. Applicant must also discuss the references applied against the claims, explaining how the claims avoid the references or distinguish from them. Also applicant's amendment to the claims is not in compliance with the rules set forth in MPEP 714. II. C. (B). (See 37 CFR 1.111.) Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).

Election/Restrictions

Examiner notes that the reply to the election restriction dated 05/30/2006 was an election without traverse as previously indicated in the office action dated 06/16/2006. Accordingly applicant has not reserved the right to traverse the restriction, and all arguments regarding the restriction requirement are moot.
